'TOWN CENTRE' ON SAN PABLO AVE., SUBMITTED TO P&Z COMMISSION

Plans for the first unit of a neighborhood shopping center in the 900 block of San Pablo Ave., Albany, have been submitted by Realtor Jerome Blank to the Albany Planning Commission for approval.

The development, to be known as "Town Centre," represents the culmination of three years work in assembling almost two acres of land, which extends from Buchanan Street on the south approximately 370 feet northwards, and from San Pablo Avenue all the way through to Adams Street. Two new buildings already built on this land are the Enco service station and Der Wiener schnitzel restaurant.

The main building of the first unit will be situated in the northwesterly 40 feet of the land, and will be 152 feet wide. Proposed are six stores, and a lease has already been negotiated with the Quik-Stop Market chain to install a new convenience market. A parking area with 52 parking spaces will provide more than adequate parking for the customers of the center. After completion of the first unit, planning will commence on the larger second unit, which will extend all the way to Buchanan Street.

According to Blank, an extensive survey of this area has shown that there is a great need for a concentrated retail shopping area.

Note of Thanks

We wish to thank our many friends and business associates who surprised us in Hawaii with an anniversary congratulations card signed by all. We were delighted to receive it on our "second honeymoon."

There was so much to see and do while we were gone, but the high light was George's view from the beach of Duke Kahanamoku's funeral. They spread his ashes from his outrigger following a Masonic funeral at the Episcopal church, during which Arthur Godfrey gave the eulogy. Many movie actors were present and it was interesting to see them. The Duke, who was 80, was beloved by everyone. George and Martha Hoffelder

Police Warn On Phoney Bills

Albany Police have warned merchants that altered \$1 bills, rather ingeniously made into \$20 bills, are being circulated in Albany.

Three such bills have been turned over to local police in the past week. The corners of the dollar bill have been replaced with the figures from \$20 bills, Officer James Simmons reports, noting that \$20 bills are negotiable as long as one corner remains.

"We especially urge merchants not to touch the bills any more than absolutely necessary," Simmons said. "There may be fingerprints of the responsible on them. Also try to remember a description of the person."

He stressed the importance of turning the bill over before accepting it. The "one" is spelled out in the center of the bill.

Benefit

Legion Post Basketball Game Feb. 17

Albany Legion post 292 will sponsor its 15th annual March of Dimes benefit basketball game Saturday, Feb. 17, at the AHS gymnasium beginning at 7 p.m.

Doors will open at 6 p.m., according to Chairman Lloyd Rasmussen, who has lined up three games.

Marin graduates will play Cornell graduates, AHS eighth graders will meet St. Jerome's eighth graders and teams from the Recreation Department's famed Linnite League will meet on the hardwood.

Admission will be at the usual nominal rates, Rasmussen said.

Note of Thanks

We wish to take this opportunity to thank the staff of Sam's Pharmacy for their service beyond the call of duty to us during the past two weeks when we have been ill with the "1918 flu."

Everyone has been kind, concerned and treated us as if we might have been their only customers. Prescriptions were rushed to us, those who delivered them said to hurry and get well and, when we couldn't get out, they even mailed a letter for us.

We think the people of Albany should know how marvelous they have been.

Council Approves Purchase Of New Radar Unit for PD

Albany City Council Monday night unanimously approved a motion by Finance Chairman George Hein to authorize purchase of a new radar unit for Albany Police department.

The matter had been brought up a few weeks ago and referred to the finance committee.

Referred to City Attorney Larry Saler and Administrative Officer James B. Turner were bids from Jim Woulfe Ford and

East Bay Chevrolet on a half-ton pickup and ton and a half dump truck for the street department.

Saler was directed to prepare resolutions on proposed charter changes concerning pension board meetings, disciplinary actions and the library. They will be printed in the Times.

Mayor Richard Clark was directed to express the opinion of Albany City Council on regional government at the Mayors' Conference tonight.

Saler read the opinion of Superior Court Judge Robert Kroninger on the show cause hearing of Police Sergeant Emil Zugnoni vs. the City of Albany. Police department and others in which Zugnoni requests the city to expunge his record and refund pay for the 15 days he was suspended by Chief Ralph Jensen. According to Saler, the judge found that the action of the chief was improper because, in the judge's opinion, the City Charter states that only City Council may, after hearing, suspend for cause upon recommendation of the chief. The judge also found ambiguity in the charter. Saler said the case may return to City Council, adding that a final decision may be made within a week or two.

Council granted a request for variance to Hill Lumber company and, after discussion, passed 4-1 (Clark voting not) a resolution expressing opposition to discontinuance of the "California Zephyr" by Western Pacific.

A resolution by the Board of Supervisors concerning Alameda County Art commission was held over one week as was a discussion of various ways to finance the Bay Area Rapid Transit deficit.

The mayor was authorized to proclaim Feb. 18-25 as National Brotherhood Week.

A motion to commend James Doherty of El Cerrito, new head of the BART board, and Berkeley Mayor Wallace Johnson on his appointment to the board by the Mayors' Conference passed 4-1 with Councilman Lewis Howell voting no.

The meeting adjourned at 9:15 p.m. Councilmen went into a work session on charter amendments. Another work session had been held prior to the Council meeting.

Boy Scouts conducted a mock session beginning at 7 p.m. in observance of "Scouts in City Government," a feature of Boy Scout Week.

MRS. WINFIELD S. SMITH OFFERS SUMI-E ART CLASSES HERE

Mrs. Winfield S. (Hallett) Smith, who received her Certificate of Excellence and teaching credentials in Japan, is conducting a class in Sumi-e at Berkeley City club as well as lessons at her home, 831 The Alameda.

After studying in her earlier years at Maryland Institute of Art in Baltimore, Incarnate Word college in Texas, Austin Peay State college in Clarksville, Tenn., and Albuquerque, N.M., she went to Japan in 1957. Her husband was stationed there with the Navy.

She studied oils with Hayao Inouye, portrait painter, and Sumi-e, Oriental ink painting, with Shunsei Takeuchi, noted for his magnificent screens. Before she knew it, she became so fascinated with Sumi-e that she concentrated on it. She was the only American invited to show with the Hayama-Zushi Artists' association.

Returning to the United States,

she won first prize in an art show and exhibited for two years at Virginia Beach.

On the next tour of duty for her husband in Japan, she studied Sumi-e with the idea of teaching with Ukoh Hayashi, who conducts a TV show, and with Madame Masue Kuga. Later, in Hawaii, she had two one-woman shows in the Honolulu area and taught Sumi-e to classes as large as 75. She lectured and demonstrated at various clubs and was asked to teach at the Honolulu Academy of Art.

Following her husband's retirement from the Navy in June, 1966, the family came to Berkeley. She studied under Richard Yip and now works with Chiura Obata, professor emeritus of the University of California.

Her husband works for Lawrence Radiation Lab; a daughter, Elizabeth, is a junior at the University of California, and a son, Winfield, Jr., is at Willard Junior High school.

For further information on classes, call Mrs. Smith at 524-3470.

One-Act Plays At Squirrel Hill Theater

Bay Area theater goers will have an opportunity to see in one evening three types of 20th Century theater when Squirrel Hill Theatre present "3 Carline One-Acts," beginning Feb. 9 at First Unitarian Church of Berkeley, One Lawson Road, Kensington.

Because of the great interest in last season's production of "Tele-machus Clay" by Lewis John Carline, three short works by this award-winning Los Angeles playwright are slated as the second production of Squirrel Hill's season.

The plays are "High Sign" (an "absurd" comedy-drama, wildly hilarious yet thematic, about a group of derelicts searching for personal identity by seeking out the identity of God in a run-down bar); "Mr. Flannery's Ocean" (realistic and amusing, about a cantankerous but loveable old seaman who has laid claim to an ocean); and "Objective Case" (epic or expressionistic in style and staging, combining actors, mannequins, and a light show in a "total theater" presentation of the idea of love).

Performances are Friday and Saturday evenings at 8:30, on the stage at First Unitarian Church of Berkeley, Feb. 9, 10, 16, 17, 23, and 24. Donations are \$1.75 advance, \$2 at the door, and \$1 students. Tickets are available at church office or at ASUC box office, Berkeley. Feb. 9 performance is sold out to season subscribers.

WE'RE TICKLED pink when any servicemen write to us or drop in when they're home, but the best kind of visit is like that of Kenneth Anderson on Wednesday of last week. He stopped by to report he's out of the service (he's been stationed in Berlin) and now plans to go back to work at Louis Stores. He's the son of Hannah Anderson, 724 Kains. Welcome home!

CAN'T KEEP a good man

down... and we do mean Bob Dennis. Released from the hospital last Friday, he was out and about Monday. On doctor's orders, he can't return to work for the rest of this month at least.

SNOOPY WESTBROOKE, Albany's famous canine who was revived by the Fire Department, received a card from "Snoodle," a cat, in care of this column this week. Snoodle thinks perhaps something can be done for the 22 cats taken to Berkeley Humane by the Animal Control officer last month. Now we're not sure how to put people who want pet cats in touch with those who don't want them, but we'll call Snoopy

one of these first days and see if he has any ideas.

TICKETS are disappearing fast for the Soroptimist Fashion Show Feb. 14 and the Republican Wine Tasting this Saturday. Myrtle McLean has sold 60 tickets for the fashion show to her friends and needs more. Ivahdell Rolfe at last report had only 10 tickets left for the wine tasting. By the time you read this, both events may be complete sell-outs.

HAVING WORKED with March of Dimes committees in

Albany for many years, we join other volunteers in noting that two of those who worked hard on the committee last year are no longer among us. Chairman Frank Ellsworth and Stella Barassi spent long hours on the show last Jan. 25. Frank was chairman and Stella was coordinator and commentator.

AN ALBANY WOMAN has kind of an original idea: a book-burning of Dr. Spock's book! She figures he brainwashed mothers to raise his army for him and a protest is in order.

FIRST ANNUAL LIONS' CRAB FEED FEB. 23
Final preparations were pro-
ceeding with dispatch this week
as Albany Lions completed plans
for the first annual "Crab Feed,"
Friday evening, Feb. 23.
The initial feed will be held
at the Veterans' Memorial build-
ing, Portland and Ramona Ave-
nues, between 6 and 9 p.m.
Dr. Michael Floyd, local DVM
and president of the local club,
is personally heading up the af-
fair which is being staged to sup-
plement funds for expanding the
Lions community activities.
Prime among the new projects
being planned is a pilot tree
planting program approved re-
cently by the City Council and
presently before the Park Depart-
ment where final details are
being completed.
"Though sight conservation is
one of the important objectives
of Lions International," stated
President Floyd, "projects of
every nature are constantly un-
der way. Last year alone, over
500,000 worthy projects were
completed by Lions throughout

141 countries of the free world."
"In active communities such as
Albany," continued Floyd, "no
civic minded group is ever at a
loss for worthy opportunities to
improve their city, and in Lion-
ism members are constantly alert
for such projects.
"This alertness at times causes
a club to over extend their ef-
forts," said Floyd, "thus some
means must be found to meet
these obligations."
It was for this reason Albany
Lions have selected such an in-
formal method to supplement the
club's funds.
No effort is being spared to
make the feed worthy of com-
munity support.
Only the finest California
cracked crab will be served. This
main dish will be accompanied
by a delicious salad and side
goddies for every family.
Tickets may be purchased from
any of the business establish-
ments or persons listed in an
adjacent column of the Times.
We invite your participation.

The '68 Chrysler Newport. Just one of the

fast. Priced just a few dollars a month more
than the most popular small cars, compar-
ably equipped. But take a look. Does that
look like a small car? Of course not. Doesn't
drive like one either. That's why thousands
and thousands of drivers switched to Chry-

Any Questions?

By Neal Clarity, Chamber Manager

Meetings scheduled this week:
Thursday, Feb. 8, 7:30 p.m., City Hall, Solano Beautification with Leo A. Daly Co., architect.
Friday, Feb. 9, 9 a.m., Staff meeting, Chamber office.
Monday, Feb. 12, 8:30 a.m., Office Remodeling Committee, Chamber office.
Tuesday, Feb. 13, 8:30 a.m., Board of Directors, Chamber office.
Tuesday, Feb. 13, 8 p.m., City Council meeting, City Hall.

This column is the first of a series to be printed weekly in the Albany Times. We are grateful to the Times for allowing the Chamber to present business and news to our citizens.

The purpose of the column is to provide one, to present civic and business news, and two, to provide service to our citizens. We are always receiving inquiries from people on various subjects similar to the well-known "Action Line" service provided by larger newspapers and radio media.

As a new service to our citizens, the Chamber of Commerce will provide this service locally. You have problems or complaints that you feel we, as your Chamber, can help solve, please call the Chamber at 525-1771.

We have a full time staff who will try to help you with your problem. If we don't have the answer, we will do our very best to put you in contact with individuals and agencies that can help.

The Chamber has a wealth of information and resources that can be of assistance to you in solving a particular problem. We have hundreds of business and professional people in business and government who are willing to be of service through the Chamber facilities.

Just last week, we were able to locate a person in the area for a Richmond couple through Mrs. Larimer's column in the Times. So, if you have any problem similar to those you see in other "Action Lines," call the Chamber. The number again is 525-1771.

Very important meeting Feb. 8. On this date at 7:30 p.m. at City Hall, the architect firm of Leo A. Daly company will present plans for the beautification of Solano Avenue. Their study included parking, undergrounding of utilities, and beautification (landscaping) of the avenue. We urge all merchants and property owners to attend this meeting. This is your opportunity to have a say in how you want the avenue designed. For over 12 years, we have been talking about this project, now it is in the final planning stage and you should make every effort to attend. The architects will present three concepts for us to decide upon before the final plans are prepared.

The Chamber is considering a special program to express our appreciation for businesses who have been in Albany over 20 years. If you are one, please contact the Chamber office.

Albany Police Department: The Chamber wishes to thank publicly Officers Robert Freeman and Robert Buck and Sergeant Emil Zugnoni for their excellent performance of their duties in apprehending the man who was found in Hollfelder's Jewelers Monday morning. Another example of our very fine and efficient Police Department, which annually saves the business community thousands of dollars.

Contemporary Art Show, Wine Tasting Saturday

In observance of Lincoln's birthday, the 17th Assembly District Republican Coordinating Council will hold its first annual Contemporary Art Show and Wine Tasting Party Saturday, Feb. 10, from 6-8 p.m., at the Veterans' Memorial building, 1325 Portland Avenue, Albany. Proceeds from the event will be used to help maintain the Berkeley-Albany Republican Headquarters according to Bill Vaughns, chairman of the Coordinating Council.

Serving as chairman for the "Lincoln Day" affair is Mrs. Edith Sheriff, Albany, prominent Republican leader. One of California's most renowned wineries will provide the various wines to be sampled. Many artists residing in the Bay Area will exhibit their paintings. Those attending the event will be given a ballot on admission to select their favorite paintings. Cash prizes will be awarded the three paintings voted the most popular.

Several GOP dignitaries and potential candidates for public office have been invited to be present. State Senator Lewis Sherman of Berkeley; veteran Assemblyman Don Mulford from Piedmont; Berkeley Councilman John De Bonis; and Alameda County Central Committee Chairman Ken Thompson are among those so honored. Vossa Wysinger and Sam Higgins, announced candidates for the Republican nomination in the 7th Congressional and 17th Assembly districts, respectively, will be present to greet friends and guests of the Republican community.

Senator Sherman To Hold Hearing On TV Repairs

Senator Lewis F. Sherman of Alameda County, chairman, Subcommittee on Electronic (TV) Repair, has announced a hearing in Oakland, Feb. 23. This is a subcommittee of the Senate Committee on Business and Professions.

"The Bureau of Electronics Repair Dealer Registration has been functioning since 1963," declared Senator Sherman. "During that time thousands of complaints from private citizens have been handled with 3,000 coming in the past year. Most of these have been considered quietly and ended in satisfactory adjustments. However, fraudulent practices have been uncovered by the investigators who then moved on to license revocation. In the light of this activity the subcommittee will consider the recommendation of the 'Little Hoover Commission,' that the work of the Bureau is now finished and that local government should now assume its function."

"As this meeting should be of interest to consumers as well as members of the industry, the public is cordially invited to attend the hearing," concluded Senator Sherman. "Please notify my office immediately if you desire to testify at this hearing. In the interest of time, it is suggested that you limit your presentation to between 10 and 15 minutes and also furnish the committee with 10 copies of your testimony."

The subcommittee will meet at 9:30 a.m. in the State Building, 1111 Jackson Street, Oakland. For additional information, contact Senator Sherman's Sacramento office, 445-6671, or Oakland office, 834-3460.

Sergeant O'Gorman is an air traffic controller at Vandenberg AFB, Calif. He is a member of the Air Force Communications Service. The sergeant, a graduate of Albany High school, attended College of Marin in San Rafael, California State Polytechnic College and Contra Costa college in Richmond. planned KYA Week to precede the game. The crowning of the KYA Oneder's Queen will top the list of activities.

With the wet weather subsiding, it probably will be time to pull or clean weeds from around sheds. While the soil is still is the time to catch weeds they are growing. When comes, you will have patch around those and less worry of a fire igniting your fence or your hedges.

John Wallmann Trophy to Be Awarded

The John Wallmann Memorial Track Trophy has been presented to Albany High by William Savage, head counselor.
John was a member of the 1967 JV track team and showed outstanding qualities both on and off the field. He was also an excellent student while at AHS. John drowned late last summer while on a Boy Scout trip.
In order for a member of the track team to qualify for the perpetual trophy he must: (1) show outstanding effort to develop himself; (2) attendance at both school and team practices must be well above average; (3) he must have and possess a desire and determination to succeed. Ability is not the key to receiving this trophy, but a strong desire to live up to these qualifications is important.
These qualifications were chosen because John Wallmann possessed all of them. The track coaches will make the decision as to who will receive the trophy.

Albany PTAs Give Special Honorary Life Memorial To Late Milton Gordon

Founders' Day, 1968, was the first conducted in years without the antics, humor and warmth of the late Cornell Principal Milton Gordon, who died last November.

The five Albany PTAs paid honor to his memory, however, by giving a special Honorary Life Membership for Mr. Gordon. It was presented by School Superintendent Kenneth M. Forry and the papers will be given to his family.

Those selected for Honorary Life Membership were Mrs. Arthur Wright, Mrs. Armando Silva, Mrs. Theodore Valli, Mrs. Oliver Ganoung, Mrs. Leland Glass and Mr. and Mrs. George Jaekle.

Forry was master of ceremonies for the observance of the 71st anniversary of PTA. He noted there are 11,029,396 members in 44,968 local units in the United States today.

He introduced special guests, including School Board members Robert Nehls and Milton Porter, Councilman H. F. Call and Mrs. Dale Teague. About 200 attended.

The program featured Elizabeth Lott, Marin school principal, as Louella Parsons. She presented a style show. Lovely models included William Woolworth, Burt Harris, William Gubser, Carl Couch, Harry Price and Forry.

Honorary Life Memberships were presented by Woolworth, Price and Mrs. Lott.

Refreshments followed in the cafeteria.

All-Night Senior Party Meeting Tomorrow Night

Parents of the senior class of Albany High school will meet at 7:30 p.m. tomorrow night, Feb. 8, in room 20 at Albany High school. At the meeting Jan. 16, one large problem was solved: where to have the party?

Because of the extended racing season, Golden Gate Turf Club facilities will not be open for this event this year, and the Locations committee was burdened with the new and important duty of gathering information for the parents on other sites which might be available for such a party.

Mrs. William Dennis, locations chairman, submitted a detailed report and after discussion and earnest deliberation it was decided to accept the invitation of Lucky Lanes in Richmond and hold the All Night Party in its recreation center. After considering all other possibilities those present felt that the graduating seniors and their guests will fully enjoy and long remember their party at this location.

Carrying on with a very successful idea of past All Night Parties it was decided to ask each senior to donate a book of saving stamps to enable the committee to get gifts and prizes to be given to the celebrants during the night of their graduation. This is a service the whole community can have, as an opportunity to take part in this event. Anyone wishing to donate saving stamps for the Class of '68 can either send them to Mr. and Mrs. Calvin Russell, 1027 Pomona Ave., Albany, or to the High
